

# CEng 793 – Announcements

09.03.2017

- Project proposals are due next week
  - Proposal template will be announced today
    - Description
    - Your DL approach
    - Dataset
    - Workpackages & a time plan

- Project proposals are due next week
  - Proposal template will be announced today
    - Description
    - Your DL approach
    - Dataset
    - Workpackages & a time plan

Next week, we will discuss your proposals in class.

- You are encouraged to request feedback from us about your project progress on a weekly basis.
- We are available for this every week after the lecture ends.

- You are encouraged to request feedback from us about your project progress on a weekly basis.
- We are available for this every week after the lecture ends.
- Week 10: Project progress demo in class

Paper presentations start next next week.

Schedule:

Week #	Date	Topic	Student 1	Student 2
4	16.03	Discussion of project proposals		
5	23.03	GAN	1881739	2137297
6	30.03	RNN1	1560101	1893122
7	4.04	RNN2	1901735	1819630
8	13.04	Memory Networks	2204451	1902717
9	20.04	DTM	1881887	1819242
10	27.04	Project progress demo		
11	4.05	RL1	2270981	1631027
12	11.05	RL2	2194538	1631126
13	18.05	Why does it work and latest trends.	1881325	1818889
14	25.05	Open issues	1881093	1560325
